

ESG FULL CIRCLE:

Understand and Engage Your Investors

OUR HIGHLY-EXPERIENCED ADVISORY TEAM DELIVERS customized solutions that enable our clients to develop and communicate their ESG strategy in order to achieve their unique ESG and business objectives.

WE PROVIDE SUPPORT TO:

- Identify priority ESG topics based on investor perspectives, ESG standards, and industry-specific risks
- Benchmark against peers and investor policies or strategies to identify gaps and strengthen competitive positioning
- Develop a dedicated ESG strategy or integrate ESG considerations into your existing business strategy
- Enhance Board and senior leadership oversight of ESG and provide ongoing education around emerging trends
- Evolve ESG reporting, understand ESG ratings, and align with standards or frameworks (SASB, TCFD, etc.) to communicate your ESG story most effectively
- Prepare for engagement with your investors and address ESG-related shareholder proposals
