

ESG Advisory Services

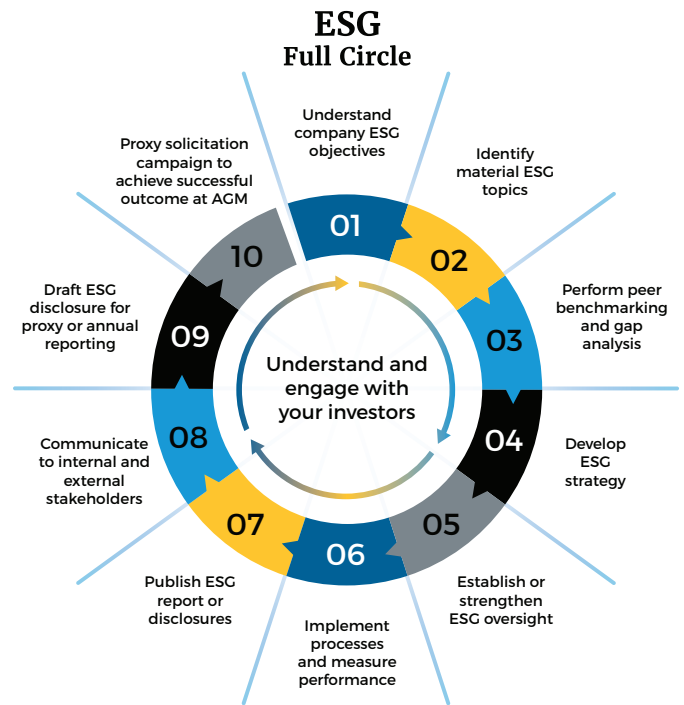

ALLIANCE ADVISORS IS A FULL-SERVICE corporate advisory, proxy solicitation, and investor intelligence firm that supports companies across the globe to navigate the rapidly evolving investor expectations, regulatory requirements, and disclosure standards of the Environmental, Social, and Governance (ESG) landscape.

As your corporate advisory partner, Alliance provides year-round strategic guidance to develop and manage your ESG strategies and reporting and cultivate the strongest possible relationships with your shareholders.

Our highly-experienced advisory team delivers customized solutions that enable our clients to most effectively communicate their ESG story and to achieve their unique ESG objectives:

- **Materiality Assessment & Perception Study**
- **Peer Benchmarking & Gap Analysis**
- **ESG Framework, Standard, & Ratings Alignment**
- **ESG Strategy Development**
- **Annual Report/Proxy Statement Review**
- **Investor Insight & Engagement**
- **Board & Senior Leadership Education**
- **Shareholder & Management Proposal Research**

PROUD MEMBERS OF:

INSTITUTE

Our Full Circle approach provides companies with tailored support at every stage of their ESG journey.

This is underpinned by Alliance’s unmatched insight and experience with the investment community, which allows our team to help issuers engage with institutional investors throughout the year on ESG matters.

By taking a proactive approach to ESG and integrating environmental and social impact considerations into your existing business strategy and governance structures, your company will be well positioned to manage risks, create competitive advantage, and attract new sources of capital.
